

Attention FDA

It came to my attention that the FDA ~~is~~ ^{is being asked to} take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

If forced to have a medical exam I feel FDA should pay for the exam.

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

N/A

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

I should not be deprived of my Constitutional Right to decide for myself in regards to my medical exams and treatment.

4. Should I be allowed to purchase hearing aids by mail as I choose?

I feel that I should be allowed to purchase hearing aids by mail if I so choose.
